MEMORANDUM FOR THE SPECIAL CONTRACTING OFFICER

SUBJECT: Legislative Pay Increases

1. OSO concurs with respect to paragraph 1.
2. Concerning paragraph 2, it is suggested that in those cases where the agent is hired at a GS-rating level (e.g., his contract states that he is entitled to pay at a GS-7 level, formerly \$3,825 per annum), the increase be granted as proposed in paragraph 4. In cases where an agent is employed at a flat rate of, say, \$3,000 or \$3,600 per annum, with no reference made to a GS- equivalent, it is felt that the increase would not be appropriate. Any increase, in such cases, would consequently be based primarily on the merit of the case and would require an amendment to the project.
3. Re paragraph 4: OSO has no objection to your handling those cases where the agent compensation is linked to a GS-rating equivalent, as you propose.

Chief, Plans
